## **Terms & Conditions**

### **Finance**

One third total price prepayment due before work commences

One third interim payment due halfway through manufacture.

One third balance payment due immediately on completion, delivery, or installation.

Additional work requested by the client during manufacture, or removal of any existing fitted furniture or fittings, to be charged at the site rate of £28 per. hour per. man.

### **Quotations and Estimates**

Estimates are normally given free of charge and, once accepted, preferably in writing, design preparations can begin. However, a fixed price can only be quoted when design drawings are complete and accepted by the client.

### **Appliances and Building Services**

The price quoted includes the complete fitting of all cabinets and fitting of any appliances, but not the cost or connection by a plumber or electrician of the appliances.

Electrical, plumbing, decorating, building work (including wall holes for extractors), wall or floor coverings and their fittings are also not included in the price quoted.

A complete service is available, including the supply of all appliances and arranging all plumbing and electrical work etc., at an additional charge.

If the client is supplying the appliances, then they should be available in good time, complete with the fitting instructions, so that any special arrangements can be made.

If the client is to sub-contract the plumbing and electrical services etc., then those craftsmen should be available for consultation, and be willing to accept responsibility for those services and connection of the relevant appliances and fittings.

### **Design Fees**

Included in the estimated or quoted price is a design fee to cover the cost of design preparation and plans. Should you wish to cancel after preparations have begun, then a modest fee will be charged according to the amount of work done and costs incurred on your behalf.

### **Ownership of Goods**

All goods remain the property of David Snowdon Furniture Maker, until paid in full and we reserve the right to retrieve any goods not paid for within these terms of trading.

### **E&OE**
